## Fulbright-FH JOANNEUM University of Applied Sciences Graz Visiting Professor in Computer Science

### Award Autogenerated Code

10008-AU

### Region

Europe and Eurasia

### Country

Austria

### Number of Grants

1

### Stipend

€5,000 per month (approx. \$5,500, exchange rates may fluctuate).

### Estimated Travel and Relocation Allowance

All grantees receive a Fulbright travel grant of €1,000 (approx. \$1,100 exchange rates may fluctuate).

### Candidate Profile

Professionals

Academics, all levels including early career

Postdoctoral

### Activity

Teaching/Research

### Application Deadline

Tuesday, September 15, 2020

### Grant Activity

A flexible combination of teaching and research activities that entail teaching a minimum of two courses (classes meet once a week for 90 minutes) in one of the programs offered at the FH JOANNEUM University of Applied Sciences under the auspices of its Information, Design, and Technology degree programs in the fields of specialization listed below. Grant-related activities may also include advising or supervising advanced students, as well as developing joint research projects with faculty. The format and content of individual courses and research objectives are negotiated on a consensual basis with the host institution, contingent upon its needs and the grantee's interests and expertise.

### Grant Length

Four months

### Grant Dates

Grants should begin on either October 1, 2021 or March 1, 2022.

### Locations

FH JOANNEUM University of Applied Sciences is located in Graz and has branch campuses in [Kapfenberg](#) <sup>[1]</sup> and [Bad Gleichenberg](#) <sup>[2]</sup>. Depending on the discipline, scholars will be working on any of the three campuses.

For more information about Graz, click [here](#) <sup>[3]</sup>.

### Flex Option

No

### Discipline Type

Only applications in the following disciplines will be considered

### **Disciplines**

Computer Science  
Engineering  
Information Sciences/Systems

### **Areas of Interest**

**Computer science** and **electronics**. For more information on the FH JOANNEUM's programs, please visit the [website](#) [4].

### **Degree Requirements**

Ph.D. (or other terminal degree) required

### **Additional Qualification Information**

Open to all academics and professionals with appropriate terminal degrees, teaching experience, and expertise.

### **Additional Language Requirement**

Teaching is in English. Some knowledge of German is desirable.

### **Invitation Requirement**

A letter of invitation is optional

### **Additional Comments**

The FH JOANNEUM University of Applied Sciences is seeking candidates with expertise related to its central fields of interest. Consult the [website](#) [4] for more information about the individual departments of the host institution and its Information, Design, and Technology degree programs.

Potential candidates may contact **Birgit Hernády**, Head of International Relations, with questions: [birgit.hernady@fh-joanneum.at](mailto:birgit.hernady@fh-joanneum.at) [5]. This award is generously funded by the host institution.
