Grant Activity
The U.S. Scholar is expected to teach undergraduate courses in Cyber Security and/or Digital Forensics. The number of contact hours per week will be not more than eight. Those will include mostly lectures, as labs and tutorials will be handled by local teaching instructors and assistants. However, the U.S. Scholar is expected to provide a complete guide on how labs and tutorials have to be run, and work closely with TIs and TAs. He/she is expected to set up at least two tests and exam papers. All textbook requests will be forwarded to the BIUST Library to be purchased in necessary number copies. The emphasis should be on practical hands-on experience.
