Candidate Profile
Academics, all levels including early career

Activity
Teaching/Research

Application Deadline
Tuesday, September 15, 2020

Grant Activity
Teach undergraduate and graduate courses in water and sanitation engineering, energy, civil engineering or environmental science. Provide tutorials, supervise student projects and advise students. Assist with developing curriculum and host department research capacity. Develop institutional linkages and expand partner network. Conduct research in area of specialization.

Grant Length
10 months

Grant Dates
September 2021 to June/July 2022
Locations
International Institute for Water and Environmental Engineering, Ouagadougou

Flex Option
No

Discipline Type
Only applications in the following disciplines will be considered

Disciplines
Engineering
Environmental Sciences

Areas of Interest
Water and sanitation engineering, energy, civil engineering or environmental science

Special Features
Furnished house provided by the host institution.

Degree Requirements
Ph.D. (or other terminal degree) required

Additional Language Requirement
Teaching will be in English; some French proficiency is useful for daily living.

Invitation Requirement
A letter of invitation is preferred
