Grant Activity

The Fulbright Senior Scholar at University of Haifa Award is a joint fellowship of Fulbright Israel and University of Haifa.

This is an opportunity for an American senior faculty from all fields of study to pursue a semester of research and/or teaching at the University of Haifa.

Grant Length

4 months

Grant Dates

Grants can take place during the 2021/22 academic year as agreed upon with host institution.

Locations

The University of Haifa is a developing and dynamic institution with a world-renowned reputation in many different fields of research, and it is the leading university in Israel in the fields of the Humanities, Social Sciences, Law, Welfare and Health Sciences, Natural Sciences, Education and Management. The university was selected by the Council for Higher Education to lead the field of Marine Research as well as the field of Education in a Networked Society. University of Haifa offers 20 international academic programs in the English language which attract many excellent students from Israel and abroad. The

campus is situated atop Mount Carmel, where Haifa's southern boundary verges on the Carmel National Park which is one of the most beautiful places in Israel, and over 18,000 students study here for their undergraduate, graduate and doctoral degree.
