Grant Activity

The Fulbright Senior Scholar Fellowship at the Hebrew University of Jerusalem is a joint fellowship offered to senior faculty, to be carried out at the Hebrew University. This fellowship enables American senior scholars to pursue a semester of research and/or teaching at the Hebrew University.

Grant Length

4 months

Grant Dates

Grants can take place during the 2021/22 academic year as agreed upon with host institution.

Locations

The Hebrew University of Jerusalem, founded in 1918 and opened officially in 1925, is Israel's premier university as well as its leading research institution. The Hebrew University is ranked internationally among the 100 leading universities in the world and first among Israeli universities. The recognition the Hebrew University has attained confirms its reputation for excellence and its leading role in the scientific community. It stresses excellence and offers a wide array of study opportunities in the humanities, social sciences, exact sciences and medicine. The university encourages multi-disciplinary activities in Israel and

overseas and serves as a bridge between academic research and its social and industrial applications.

Flex Option

No

Discipline Type

Applications are sought in all disciplines

Special Features

During their grant period, Fulbright U.S. Scholars in Israel may apply for a short-term regional travel grant (five to 14 days) for participation in a variety of activities including faculty and student lectures, graduate or faculty seminars, curriculum development, public lectures, panel presentations, needs assessment, conferences, or some combination thereof.

Degree Requirements

Ph.D. (or other terminal degree) required

Additional Qualification Information

Associate Professor or higher academic rank (or equivalent professional standing) is required.

Invitation Requirement

A letter of invitation is required
