**Candidate Profile**
Academics, all levels including early career

**Activity**
Research
Teaching/Research

**Application Deadline**
Tuesday, September 15, 2020

**Grant Activity**

**Fulbright Canada Research Chairs** are pre-arranged affiliations to host exceptional scholars who conduct research important to that university. Partner universities are excited to welcome Fulbright Canada Research Chairs into campus life and encourage them to engage with students and faculty, and the broader community. You can conduct your own research, work collaboratively with new colleagues, guest lecture at university courses, mentor students, lecture in public venues, network, and promote your research while representing the Fulbright program, and your home and host institutions. For specific information about this opportunity, visit the Fulbright Canada webpage for Research Chairs in Health Studies.

**Fulbright Canada Research Chair in Mental Health and Societal Wellbeing, McMaster University**
Specializations: Areas of central concern include critical perspectives on mental health and illness, navigating life transitions and mental health, mental health and resilience, and the implications of new technologies and mental wellbeing.

**Fulbright Canada Research Chair in Public Health, University of Alberta**

**Fulbright Canada Research Chair in Child and Youth Mental Health, University of Calgary**
Specializations: Child and youth mental health and wellness, resiliency, child and youth well-being.

**Fulbright Canada Research Chair in One Health, University of Guelph**
Specializations: Zoonosis, disease surveillance, predictive health analytics, climate change, food and water safety, antimicrobial resistance, human and animal well-being, comparative medicine, translational medicine, eco-health, wildlife conservation, ecosystem resilience.

**Fulbright Canada Research Chair in Health Law, Policy and Ethics, University of Ottawa**
Specializations: Health law, policy and ethical issues related to new health technologies, multidisciplinary bioethics, health governance and regulation, issues related to aging and the health of Indigenous Populations.

**Fulbright Canada Research Chair in Mental Health, University of Regina**
Specializations: Anxiety, Stress & Pain; Integrated Human Health: Equity, Disease & Prevention.
Grant Length
Four months. Scholars can seek an unfunded extension for an additional eight months.

Grant Dates
Grants must begin in either September 2021 or January 2022. Awards should fall within the academic year and are not available for the summer months only.

Locations
McMaster University is located in Hamilton, Ontario
University of Alberta is located in Edmonton, Alberta
University of Calgary is located in Calgary, Alberta
University of Guelph is located in Guelph, Ontario
University of Ottawa is located in Ottawa, Ontario
University of Regina is located in Regina, Saskatchewan

Flex Option
No

Discipline Type
Applications are sought in all disciplines

Degree Requirements
Ph.D. (or other terminal degree) required

Additional Language Requirement
If proposing affiliation at a Francophone host institution, French language ability commensurate with the requirements of the project and the host institution is required.

Invitation Requirement
A letter of invitation is optional

Additional Comments
Identify host institutions in order of preference in the project statement and on the application form. Candidates may be considered for other Fulbright Canada award opportunities as appropriate. Most award themes are interdisciplinary, check other Fulbright Canada Research Chair awards for additional opportunities.

One-semester grants are preferred. Awards should fall within the academic year and are not available for the summer months only.

Special Award Benefits

Fall Orientation: The 2021-2022 cohort of U.S. Fulbright students and scholars to Canada are invited to a program of professional and personal development in Canada’s national capital, Ottawa, Ontario (in early September). Fulbright Canada covers local costs (accommodations, meals, activities). Up to C$1,000 is provided to reimburse travel expenses to the Fall Orientation in Ottawa, Ontario.

Visiting Scholars Speakers Program: Up to C$1,000 for travel expenses to a different city or region of Canada can be granted on a competitive basis. Through this program, the scholar may present at professional conferences, offer formal presentations at other Canadian post-secondary institutions, and/or provide lectures or briefings to community groups. Preference is given to applications with a robust agenda.

Fulbright Canada Eco-Leadership Program: Up to C$4,000 for community-based environmental initiatives can be granted on a competitive basis. The program provides small grants to help complete a volunteer-based project that will make a significant positive environmental impact in your community. This program is also available to alumni.

Fulbright Canada Community Leadership Program: Granted on a competitive basis, up to C$8,000 to engage with local partners in any type of activity, event, or program that would have a beneficial impact on the community. This program encourages teams of grantees and alumni to undertake community-based volunteer initiatives. This program is also available to alumni.

The Regional Travel Program: Fulbright U.S. Scholars in the Western Hemisphere (WHA) region may apply for a short-term regional travel grant for activities such as workshops, seminars, presentations, lectures, performances, exhibits, curricular advising, and similar projects, at institutions in eligible WHA countries (Argentina, Bahamas, Barbados and Eastern Caribbean, Belize, Bolivia, Brazil, Canada, Chile, Colombia, Costa Rica, Dominican Republic, Ecuador, El Salvador, Guatemala, Guyana, Haiti, Honduras, Jamaica, México, Panama, Paraguay, Peru, Suriname, Trinidad & Tobago, and Uruguay). The Regional Travel Program covers travel to and from the destination; lodging may be offered by the hosting institution. Scholars may only apply for this grant once in country on their Fulbright grant. Scholars who apply for the Flex award are ineligible for the Regional Travel Program. Additional information can be found at the Regional Travel Program website [10].

Language Proficiency Requirements
None, English is sufficient
