Candidate Profile

Academics, except early career

Activity Type

Research

Teaching

Teaching/Research

Application Deadline

Wednesday, September 15, 2021

Award Activity

This award supports scholars who would like to conduct research and/or teach at the university level in Mexico, in the scholar's area of specialization. Scholars can also consult on curriculum, program and faculty development, and conduct seminars and workshops.

Award Length

Three to nine months

Award Dates

Full academic year grants preferred. Nine-month grants start in August or September 2022. One semester grants must correspond to the host institution's academic calendar, to start in August, September, or January.

Locations

Applications or affiliations located in areas where there is a level 4 U.S. Department of State Travel Advisory in effect will NOT be considered. See the U.S. Department of State [Travel Advisories webpage](#) ^[1] for further information.

Flex Option

No

Discipline Type

Only applications in the following disciplines will be considered

Disciplines

Agriculture

Archaeology
Astronomy
Biology
Chemistry
Computer Science
Engineering
Environmental Sciences
Geology
Information Sciences/Systems
Materials Sciences
Mathematics
Medical Sciences
Neuroscience

Nutrition
Oceanography
Paleontology
Pharmacology
Physics
Veterinary Medicine
Areas of Interest

All STEM disciplines (Science, Technology, Engineering, and Mathematics) will be considered. Projects in medical sciences that DO NOT include patient contact will be considered.

Degree Requirements

Ph.D. (or other terminal degree) required

Additional Qualification Information

Ph.D. or M.D. required. Applicants must be affiliated with a university or research institution in the U.S. at the time of application.

Additional Language Requirement

The level of Spanish language proficiency must be commensurate with the requirements of the project.

Invitation Requirement

A letter of invitation is required.

Additional Comments

Recommended applicants will be invited by the Fulbright Commission in Mexico (COMEXUS) to be virtually interviewed in Spanish (unless the candidate specifically requests to be interviewed in English) by a panel of experts in late 2021 or early 2022.

Special Award Benefits

A reimbursable allowance of up to US\$750 will be included in the final installment of grant to cover educational materials donated to the host institution or research site (with justification).

During their grant period, Fulbright U.S. Scholars in the Western Hemisphere (WHA) region may apply for a short-term

regional travel grant for activities such as workshops, seminars, presentations, lectures, performances, exhibits, curricular advising, and similar projects, at institutions in eligible WHA countries (Argentina, Bahamas, Barbados and Eastern Caribbean, Belize, Bolivia, Brazil, Canada, Chile, Colombia, Costa Rica, Dominican Republic, Ecuador, El Salvador, Guatemala, Guyana, Haiti, Honduras, Jamaica, México, Panama, Paraguay, Peru, Suriname, Trinidad & Tobago, and Uruguay). The Regional Travel Program covers travel to and from the destination; lodging may be offered by the hosting institution. Scholars may only apply for this grant once in-country on their Fulbright grant. Scholars who apply for the Flex award are ineligible for the Regional Travel Program. Additional information can be found on the [Regional Travel Program website](#) [5].
