Award Activity

The University of Canberra has a strong commitment to integrated learning and serving its communities through professional education and applied research. Its purpose is to provide education which offers high quality transformative experiences to everyone suitably qualified; to engage in research which makes an early and important difference to the world around us; and to contribute to the building of just, prosperous, healthy and sustainable communities.

The development of research areas is important to the bi-lateral relationship between the United States and Australia. The Fulbright Scholar Award (funded by the University of Canberra) will enable exceptional U.S. scholars to undertake research in priority areas for the University of Canberra. Other activities may include consulting on curriculum, participating in graduate/faculty seminars and giving guest lectures. All applicants should demonstrate plans for some interaction with host institution faculty and students.

Award Length

3 to 4 months

Award Dates

Grants must begin in January/February 2023 in line with the Australian academic year and to attend the Orientation Program and Gala Presentation Dinner.

Special Features

Fulbright East Asia Pacific Regional Travel Program

Fulbright Scholars in the East Asia and Pacific (EAP) region have the opportunity to apply for funds to support short-term (3-14 days) travel to other countries in the EAP region for activities such as lectures, workshops, graduate or faculty seminars, master classes or recitals, curricular advising or panel presentations. EAP Regional Travel Program funding covers transportation only. Regional Travel Program activities/host sites should not be included in the initial Fulbright application. Scholars may pursue invitations for short-term activities in other EAP countries once notified that they have been selected for a Fulbright grant, and may only apply for travel program funds once they have actively started their Fulbright grant in their host country. Scholars on Flex grants are not eligible for the regional travel grant.

Degree Requirements

Ph.D. (or other terminal degree) required

Additional Qualification Information

Open to senior academics at the level of Associate or Full Professor by the grant start date in the proposed field. If you are not at the level of Associate or Full Professor at the time of application, but will be by grant start, please include information about your career progression and timeline in the personal section of your project statement.

Following the [peer review](#) ^[8] selection process, short-listed applicants will be invited to a video interview with a Fulbright Selection Committee in Australia.

Those who are permanent residents of Australia, dual citizens of the United States and Australia, or living in Australia at the time of application are not eligible for the Fulbright Program with Australia.

Invitation Requirement

A letter of invitation is required.

Additional Comments

Special Award Benefits

Travel and accommodation for all Scholars to an Orientation Program and Presentation Dinner, held annually.

Access to Fulbright Alumni in Australia prior to arrival to assist in preparation for the visit and while in Australia for social and professional networks.

Access to Australia's National Health Care Cover Scheme (Medicare) is a benefit for U.S. Fulbrighters in Australia. Please note: Medicare enrolment can be subject to administrative delays. We therefore recommend that **Medicare be considered only as supplemental coverage** alongside your Fulbright-provided ASPE limited health benefits and your own comprehensive travel insurance and/or personal U.S. medical insurance.
