**Award Code**
12036-MI

**Award Year**
2022-2023 Awards

**Special Award Benefits**

When university housing is provided to Fulbright Scholars, grantees will receive a supplemental housing allowance for refurbishments, utilities, and other miscellaneous expenses that arise. The full housing allowance will not be provided to grantees if they elect to decline on-campus or university housing.

**Language Proficiency Requirements**
None, English is sufficient.

**Recruitment Priorities (INTERNAL ONLY)**
We prioritize applicants who will complement mission goals in Malawi. See below:

U.S. Mission Malawi priorities/goals: Support Malawian institutions, including parliament, the judiciary, and accountability institutions, to make governance more effective, transparent, and accountable. Public service providers improve the integrity and quality of public services. Strengthen the institutional capacity and professionalism of Malawian security services to improve domestic law enforcement and national and international security. Facilitate real reform to the business enabling environment through partnerships that create a level playing field and open new markets for all private sector players. Expand market linkage opportunities including to the U.S. private sector in order to grow bilateral and regional trade. Nurture entrepreneurship, unleashing the ingenuity of the Malawian people to self-realize a better economic future. Malawi improves individual and community agency to an extent that its citizens become more productive, engaged, and resilient. Malawi improves access to and quality of health services so that more of its citizens gain and retain full health and are able to contribute productively at home, in the community, and at work. Malawi expands educational opportunity to equip its citizens with foundational and marketable skills responsive to Malawi’s public and private sector needs.
