Invitation Requirement

A letter of invitation should not be sought.

Additional Comments

This award is administered by the Fulbright Commission in Brussels, Belgium. For questions, please contact info@fulbright.be [1]. Applicants should note that the responsibility of obtaining a visa (both for the grantee and for any dependents) lies with the applicant, not Fulbright Commission staff. Grantees should therefore carefully look into visa issues in advance and allow plenty of time for the application process.

Six to 10 months

Invitation Requirement Additional Information

Applicants are not requested to provide a letter of invitation from EUI and do not need to contact EUI prior to applying to the Fulbright-Schuman Postdoctoral Award at the European University Institute. Applicants who are recommended by the Peer Review will be evaluated by the Fulbright Commission in Brussels in coordination with EUI.

Award Code

12473-MC

Countries Overview

The Fulbright-Schuman European Union Program offers grants for policy-oriented research proposals that address topics of common importance for the U.S.-EU relationship and/or EU affairs and are tenable in any one or multiple European Union Member State(s). Proposals are invited in a wide range of fields relevant to U.S.-EU relations, EU policy, or EU institutions. In addition to traditional academic scholars, professionals such as policy-makers, policy analysts and researchers at think tanks, non-profit organizations (NGOs), associations, learned societies, foundations, decision-makers at state or federal government offices, and individuals in industry or the media with relevant professional experience are also encouraged to apply.

Fulbright-Schuman awards include: the Fulbright-Schuman Chair and the Fulbright-Schuman Postdoctoral Award at the European University Institute in Florence, Italy. (See awards in Italy.), the generalized Fulbright-Schuman European Union Affairs Program, and the Fulbright-Schuman Innovatoin Award.
