Award Activity

Fulbright Canada Research Chairs are pre-arranged affiliations to host exceptional scholars who conduct research important to that university. Partner universities are excited to welcome Fulbright Canada Research Chairs into campus life and encourage them to engage with students and faculty, and the broader community. You can conduct your own research, work collaboratively with new colleagues, guest lecture at university courses, mentor students, lecture in public venues, network, and promote your research while representing the Fulbright program, and your home and host institutions. For specific information about this opportunity, visit the [Fulbright Canada webpage for Research Chairs in Health Studies](#).^[1]

Special Award Benefits

Fall Orientation: The 2022-2023 cohort of U.S. Fulbright students and scholars to Canada are invited to a program of

professional and personal development in Canada's national capital, Ottawa, Ontario (in early September). Fulbright Canada covers local costs (accommodations, meals, activities). Up to C\$1,000 is provided to reimburse travel expenses to the Fall Orientation in Ottawa, Ontario.

Visiting Scholars Speakers Program: Up to C\$1,000 for travel expenses to a different city or region of Canada can be granted on a competitive basis. Through this program, the scholar may present at professional conferences, offer formal presentations at other Canadian post-secondary institutions, and/or provide lectures or briefings to community groups. Preference is given to applications with a robust agenda.

Fulbright Canada Eco-Leadership Program: Up to C\$4,000 for community-based environmental initiatives can be granted on a competitive basis. The program provides small grants to help complete a volunteer-based project that will make a significant positive environmental impact in your community. This program is also available to alumni.

Fulbright Canada Community Leadership Program: Granted on a competitive basis, up to C\$8,000 to engage with local partners in any type of activity, event, or program that would have a beneficial impact on the community. This program encourages teams of grantees and alumni to undertake community-based volunteer initiatives. This program is also available to alumni.

The Regional Travel Program: Fulbright U.S. Scholars in the Western Hemisphere (WHA) region may apply for a short-term regional travel grant for activities such as workshops, seminars, presentations, lectures, performances, exhibits, curricular advising, and similar projects, at institutions in eligible WHA countries (Argentina, Bahamas, Barbados and Eastern Caribbean, Belize, Bolivia, Brazil, Canada, Chile, Colombia, Costa Rica, Dominican Republic, Ecuador, El Salvador, Guatemala, Guyana, Haiti, Honduras, Jamaica, México, Panama, Paraguay, Peru, Suriname, Trinidad & Tobago, and Uruguay). The Regional Travel Program covers travel to and from the destination; lodging may be offered by the hosting institution. Scholars may only apply for this grant once in country on their Fulbright grant. Scholars who apply for the Flex award are ineligible for the Regional Travel Program. Additional information can be found on the [Regional Travel Program website](#) ^[11].
