

## Research Chairs in Environmental Studies

### Award Autogenerated Code

10442-CA

### Region

Western Hemisphere

### Country

Canada

### Award Type

Fulbright Scholar Award

### Number of Recipients

Up To 5

### Stipend

Research Chair Award Grantees to Canada receive a fixed sum: US\$25,000 for one semester (4 months).

### Candidate Profile

Academics, all levels including early career

### Activity Type

Research

Teaching/Research

### Application Deadline

Closed

### Award Activity

**Fulbright Canada Research Chairs** are pre-arranged affiliations to host exceptional scholars who conduct research important to that university. Partner universities are excited to welcome Fulbright Canada Research Chairs into campus life and encourage them to engage with students and faculty, and the broader community. You can conduct your own research, work collaboratively with new colleagues, guest lecture at university courses, mentor students, lecture in public venues, network, and promote your research while representing the Fulbright program, and your home and host institutions. For specific information about this opportunity, visit the [Fulbright Canada webpage for Research Chairs in Environmental Studies](#).

[1]

*Specializations: Environment and economy, environment policy, economic policy, environmentally sustainable economy.*

### **Fulbright Canada Research Chair in Environmental Policy, University of Ottawa**

*Specializations: Environmental/natural resource policy, law and/or economics; Environmental Sustainability; Clean Innovation.*

### **Fulbright Canada Research Chair on Advancing Transdisciplinary Research on the Changing North, Université Laval**

*Specializations: Areas of focus range from ecosystem functioning to key components of the coupled human-environment system (health), and from the development of innovative technologies to research into sustainable infrastructures.*

### Award Length

One semester

### Award Dates

Grants must begin in either September 2022 or January 2023.

Awards should fall within the academic year and are not available for the summer months only.

### Locations

**Lakehead University** is located in Thunder Bay, Ontario

**University of Ottawa** is located in Ottawa, Ontario

**Université Laval** is located in Québec City, Québec

### Flex Option

No

### **Discipline Type**

Applications are sought in all disciplines

### **Areas of Interest**

Please see preferred disciplines listed in 'Award Activity.'

### **Degree Requirements**

Ph.D. (or other terminal degree) required

### **Additional Language Requirement**

If proposing affiliation at a Francophone host institution, French language ability commensurate with the requirements of the project and the host institution is required.

### **Invitation Requirement**

A letter of invitation is optional.

### **Additional Comments**

Applicants should identify host institutions in order of preference in the project statement and on the application form. Candidates may be considered for other Fulbright Canada award opportunities as appropriate. Most award themes are interdisciplinary, check other Fulbright Canada Research Chair awards for additional opportunities.

### **Special Award Benefits**

**Fall Orientation:** The 2022-2023 cohort of U.S. Fulbright students and scholars to Canada are invited to a program of professional and personal development in Canada's national capital, Ottawa, Ontario (in early September). Fulbright Canada covers local costs (accommodations, meals, activities). Up to C\$1,000 is provided to reimburse travel expenses to the Fall Orientation in Ottawa, Ontario.

**Visiting Scholars Speakers Program:** Up to C\$1,000 for travel expenses to a different city or region of Canada can be granted on a competitive basis. Through this program, the scholar may present at professional conferences, offer formal presentations at other Canadian post-secondary institutions, and/or provide lectures or briefings to community groups. Preference is given to applications with a robust agenda.

**Fulbright Canada Eco-Leadership Program:** Up to C\$4,000 for community-based environmental initiatives can be granted on a competitive basis. The program provides small grants to help complete a volunteer-based project that will make a significant positive environmental impact in your community. This program is also available to alumni.

**Fulbright Canada Community Leadership Program:** Granted on a competitive basis, up to C\$8,000 to engage with local partners in any type of activity, event, or program that would have a beneficial impact on the community. This program encourages teams of grantees and alumni to undertake community-based volunteer initiatives. This program is also available to alumni.

**The Regional Travel Program:** Fulbright U.S. Scholars in the Western Hemisphere (WHA) region may apply for a short-term regional travel grant for activities such as workshops, seminars, presentations, lectures, performances, exhibits, curricular

advising, and similar projects, at institutions in eligible WHA countries (Argentina, Bahamas, Barbados and Eastern Caribbean, Belize, Bolivia, Brazil, Canada, Chile, Colombia, Costa Rica, Dominican Republic, Ecuador, El Salvador, Guatemala, Guyana, Haiti, Honduras, Jamaica, México, Panama, Paraguay, Peru, Suriname, Trinidad & Tobago, and Uruguay). The Regional Travel Program covers travel to and from the destination; lodging may be offered by the hosting institution. Scholars may only apply for this grant once in country on their Fulbright grant. Scholars who apply for the Flex award are ineligible for the Regional Travel Program. Additional information can be found on the [Regional Travel Program website](#) [9].

### **Language Proficiency Requirements**

None, English is sufficient.

### **Career Profile**

Early Career Academics

Mid-Career Academics

Senior Academics

### **Scholars selected for this award can choose to:**

- Advise and/or mentor students
- Assist in faculty, curriculum, and/or program development
- Conduct a professional and/or artistic project
- Conduct a research project designated by the host institution
- Conduct a research project of the applicant's choosing
- Teach graduate and/or undergraduate courses designated by the host institution
- Teach graduate and/or undergraduate courses of the applicant's choosing
