Award Activity

The purpose of this award is to give creative artists of all contemporary media, including but not limited to the fields in the specializations box below, an opportunity to work in residence with one or more of the cultural providers associated with Quartier21/ MuseumsQuartier (Q21).

A project proposal that describes the artist's planned contribution to Q21 activities and that specifically mentions one or more Q21 project partners of interest should be submitted with the application. Q21 will assist finalists in establishing appropriate institutional affiliations.

Award Length
Two months
Award Dates
Grant should begin on either October 1, 2022 or March 1, 2023.

Locations

Quartier21/ MuseumsQuartier (Q21), Vienna

Areas of Interest

Specializations include (but are not limited to) the following: digital culture, fine art, photography, street art, game culture, film, fashion, design, literature, conceptual art, theory, sound art, comics, media art, dance, theater, and arts management.

Degree Requirements
Ph.D. (or other terminal degree) not required

Additional Language Requirement

Grant-related activities can be conducted in English. Some knowledge of German is advantageous but not required.

Invitation Requirement
A letter of invitation is optional.

Additional Comments

Located in the center of Vienna, the MuseumsQuartier Vienna is one of the ten largest cultural complexes in the world. It has a special interest in the promotion of contemporary arts and provides the infrastructure for a wide variety of museums, concert halls, and other cultural institutions. The Q21 is an organization that provides support to over 50 institutions and autonomous cultural and artistic initiatives situated in the MuseumsQuartier. Consult the Q21’s website [3] for details.

This award is generously funded by the Quartier21/ MuseumsQuartier (Q21).
