Award Activity
Participate in a group seminar designed to familiarize U.S. higher education administrators with France's higher education and research system. The program consists of briefings, campus visits, appointments with selected government officials, networking and cultural activities and meetings with French international education professionals.

In addition to being a prestigious academic exchange program, the Fulbright Program is designed to expand and strengthen relationships between the people of the United States and citizens of other nations and to promote international understanding and cooperation.

The IEA delegation to France welcomed to the Chateau de Versailles by the Universite de Versailles Saint-Quentin-en-Yvelines for an exclusive tour and exchanges on heritage science, sustainable tourism, and ecology.
