Flex Option

Yes

Flex Description

The Flex Award is designed for scholars who require multiple visits to the host country. This option allows grants to be conducted over short segments, preferably during the fall and/or spring semesters. Interested applicants should clearly indicate plans for Flex in their project statement, including a project timeline. Flex grantees may be asked to give public talks, mentor students and otherwise engage with the host-country academic community.

Flex grant parameters:

- Minimum length of the total grant is four months and the maximum is six months;
- Minimum length for any grant segment is one month and the maximum is three months;
- Two grant segments may be spread over one or two consecutive years; and
- Flex Awards are offered for teaching, teaching/research, and research grants. Find more information about Flex Awards [here](#), [1].
