Fulbright Scholar Award in Resources and Energy (Curtin University)

**Award Autogenerated Code**
10582-AS

**Region**
East Asia and the Pacific

**Country**
Australia

**Award Type**
Fulbright Scholar Award

**Number of Recipients**
1

**Stipend**
AUD$5,000 (approximately USD$3,868) per month for a maximum period of four months.

Scholars accompanied by eligible dependents for at least 80% of program duration may receive one, one-time dependent allowance of AUD$3,200 (approximately USD$2,475) for one dependent or AUD$5,000 (approximately USD$3,868) for two or more dependents.

**Estimated Travel and Relocation Allowance**
Round-trip, economy class airfare directly to and from the scholar's home city and the city of the host institution.

**Candidate Profile**
Academics, except early career

**Activity Type**
Research

**Application Deadline**
Wednesday, September 15, 2021

**Award Activity**
Scholars will undertake research of importance to the bilateral relationship between Australia and the United States in the areas of resources and energy, or other related fields of engineering, physics, mining, geology, and resource extraction. Other activities may include consulting on curriculum, participating in graduate/faculty seminars and giving guest lectures. Scholars are encouraged to collaborate with the host institution on workshops/short seminars. All applicants should demonstrate plans for some interaction with host institution faculty and students.

**Award Length**
3 to 4 months

**Award Dates**
Grants must begin in January/February 2023 in line with the Australian academic year and in order to attend the Orientation Program and Gala Presentation Dinner.

**Locations**
Curtin University [1], Perth, Western Australia

**Flex Option**
No

**Discipline Type**
Only applications in the following disciplines will be considered

**Disciplines**
Agriculture
Biology
Business
Chemistry
Economics
Engineering
Environmental Sciences
Geology
Materials Sciences
Physics

**Areas of Interest**

Any areas related to the industries of resources and energy.

**Special Features**

**Fulbright East Asia Pacific Regional Travel Program**

Fulbright Scholars in the East Asia and Pacific (EAP) region have the opportunity to apply for funds to support short-term (3-14 days) travel to other countries in the EAP region for activities such as lectures, workshops, graduate or faculty seminars, master classes or recitals, curricular advising or panel presentations. EAP Regional Travel Program funding covers transportation only. Regional Travel Program activities/host sites should not be included in the initial Fulbright application. Scholars may pursue invitations for short-term activities in other EAP countries once notified that they have been selected for a Fulbright grant, and may only apply for travel program funds once they have actively started their Fulbright grant in their host country. Scholars on Flex grants are not eligible for the regional travel grant.

**Degree Requirements**
Ph.D. (or other terminal degree) required

**Additional Qualification Information**

Open to senior academics at the level of Associate or Full Professor by the grant start date with a distinguished career in the proposed field. If you are not at the level of Associate or Full Professor at the time of application, but will be by grant start, please include information about your career progression and timeline in the personal section of your project statement.

Following the peer review selection process, short-listed applicants will be invited to a video interview with a Fulbright Selection Committee in Australia.

Those who are permanent residents of Australia, dual citizens of the United States and Australia, or living in Australia at the time of application are not eligible for the Fulbright Program with Australia.

**Invitation Requirement**
A letter of invitation is required.

**Additional Comments**

**Host Institution:** Curtin University, located in Perth, is an internationally recognized leader in research related to geosciences and resource engineering. Curtin’s research in minerals and energy supports growth and innovation in the sector, thus bolstering Australia’s economic powerhouse.

2022-2023 Awards [8]

Special Award Benefits

Travel and accommodation for all Scholars to the Orientation Program and Gala Presentation Dinner, held annually.

Access to Fulbright Alumni in Australia prior to arrival to assist in preparation for the visit and while in Australia for social and professional networks.

Access to Australia’s National Health Care Cover Scheme (Medicare) is a benefit for U.S. Fulbrighters in Australia. Please note: Medicare enrolment can be subject to administrative delays. We therefore recommend that Medicare be considered only as supplemental coverage alongside your Fulbright-provided ASPE limited health benefits and your own comprehensive travel insurance and/or personal U.S. medical insurance.

Language Proficiency Requirements
None, English is sufficient.

Career Profile
Mid-Career Academics
Senior Academics

Scholars selected for this award will be required to:

- Conduct a research project of the applicant’s choosing
