

## Medical Sciences/Education

### Award Autogenerated Code

10606-EI

### Region

Europe and Eurasia

### Country

Ireland

### Award Type

Fullbright Scholar Award

### Number of Recipients

Approximately 2

### Stipend

Maximum \$3,800 per month (amount may fluctuate depending on current exchange rates)

The Commission annually requests that Irish institutions make a contribution to recommended scholars' grants to maximize the institution's understanding and involvement in the Program and the impact and awareness of the scholar's visit, as well as to enhance the number of awards that can be offered. The institutions and locations specified in the 2022-2023 awards program have all agreed to make a generous financial contribution to the scholar's grant.

### Candidate Profile

Academics, except early career

### Activity Type

Teaching/Research

### Application Deadline

Wednesday, September 15, 2021

### Award Activity

### Award Length

Three months

### Award Dates

September 2022 - January 2023 (Flexible)

### Locations

[Royal College of Surgeons in Ireland<sup>\[1\]</sup>](#) (RCSI)

RCSI is a University of Medicine & Health Sciences - a single faculty institution focused on entry-level medical, pharmacy, physiotherapy and physician associate education, as well as postgraduate nursing, leadership and doctoral research degrees. Its research programmes are translational (bench to bedside to population). It is ranked joint second in the world (2021) in Times Higher UN SDG 3 (Good Health & Wellbeing). Founded in 1784 and based in Dublin, RCSI is now one of the world's leading international medical schools. It has established campuses in Bahrain, Penang and Kuala Lumpur and new partnerships in Soochow, China. RCSI is also Ireland's national surgery training organisation and delivers postgraduate training and education through its Faculties of Radiology, Nursing & Midwifery, Dentistry, Sports & Exercise Medicine, the School of Postgraduate Studies, the Institute of Leadership and the National Surgical Training Centre. At the centre of this unique mix of disciplines and levels of education, RCSI's Health Professions Education Centre coordinates significant upskilling and scholarly activity across the health professional lifecycle and is pleased to partner with international scholars and educators to further this work.
