Award Activity

Fulbright Israel welcomes applications from innovative U.S. postdoctoral scholars who seek to conduct research at Ben-Gurion University of the Negev. Grants are open to researchers in all academic disciplines and support research programs in Israel for up to 20 months (two academic years).

Each candidate is responsible for the arrangement of the institutional affiliations independently, including development of the research program for the proposed visit. Based on Fulbright Israel policy, selected Fulbright postdoctoral fellows must hold official postdoctoral fellow status at their host institutions in Israel, including access to campus resources.

Please contact the Fulbright Israel office at USPrograms@fulbright.org.il with any questions and/or assistance with identifying suitable contacts.

Award Length
Up to two academic years, minimum of one academic year.

Award Dates

Grants may begin any time during the period of August 2022 to April 2023, as agreed upon with host institution.

Locations

Research will take place at Ben-Gurion University of the Negev in Be’er Sheva, Israel. Ben-Gurion University has approximately 20,000 students and 4,000 faculty members in the Faculties of Engineering Sciences; Health Sciences; Natural Sciences; the Pinchas Sapir Faculty of Humanities and Social Sciences; the Guilford Glazer Faculty of Business and Management; the Joyce and Irving Goldman School of Medicine; the Kreitman School of Advanced Graduate Studies; and the Albert Katz International School for Desert Studies. More than 100,000 alumni play important roles in all areas of research and development, industry, health care, the economy, society, culture and education in Israel.
