Areas of Interest

Applications are sought in all disciplines.

Applications in the following disciplines encouraged: American civilization and literature, particularly comparative literature and intercultural and gender-based approaches to American literature, society and culture - Entrepreneurship, Agronomy, Agriculture, Marine Science, Oceanography, Biology, Life Science, Ecology, Fisheries, Sustainable Development, Environmental Sciences, as well as Business, Creative Writing, Economics, Education, Law, Linguistics, Marketing.

Special Features

The academic year typically runs from November or December to July. An English language school, the American School of Antananarivo (K-12), is available for accompanying dependent school-aged children.

Degree Requirements

Ph.D. (or other terminal degree) required

Additional Qualification Information

At least one or two years of postdoctoral university or college teaching experience is preferred.

Additional Language Requirement

English is sufficient for lecturing at the English Department of the University of Antananarivo and Université Catholique de Madagascar because their medium of instruction is English. However, for the other institutions, French will be necessary for conducting classroom or research assignments.

Invitation Requirement

A letter of invitation is preferred.

Additional Comments

The applicant should contact the head of the prospective host institutions to request additional information on the potential assignments and other related details. The U.S. Embassy may be able to provide further information about the Fulbright program and living and working in Madagascar. Please contact the Cultural Specialist at raharijaf@state.gov ^[1]
