**Locations**
Any institution in El Salvador, including but not limited to, universities, NGOs, research centers. Please see "helpful links" section for a non-exhaustive list of potential host institutions.
Flex Option
Yes

Flex Description

The Flex Award is designed for scholars who require multiple visits to the host country. This option allows grants to be conducted over short segments, preferably during the fall and/or spring semesters. Interested applicants should clearly indicate plans for Flex in their project statement, including a project timeline. Flex grantees may be asked to give public talks, mentor students, and otherwise engage with the host-country academic community. Flex grant parameters:

- Minimum length of the total grant is four months and the maximum is six months;
- Minimum length for any grant segment is one month and the maximum is three months;
- Two or three grant segments may be spread over one or two consecutive years; and
- Flex awards are offered for teaching, teaching/research, and research grants.

For more information, please see our website [1].

Discipline Type
Applications are sought in all disciplines

Areas of Interest

All disciplines will be considered. Below is a list of particular disciplines that are specific to host institutions. This list is not exhaustive and projects are not limited to these disciplines.

UES Universidad de El Salvador: Particular interest in candidates in the fields of Anthropology, Computer Science, Distance Learning, Education, Entrepreneurship, and Literature.

Engineering: Teach at the undergraduate level, supervise graduate students and offer training to faculty in new trends in engineering. Universities with interest in engineering include Universidad Don Bosco (UDB) and Universidad Centroamericana José Simeón Cañas (UCA).

Applications are sought in the following specializations for UDB: electrical engineering, electronic engineering, mechanical engineering, biomedical engineering, industrial engineering, computer engineering and robotics.

Applications are sought for UCA in the following: process engineering and environmental sciences, electronics and informatics, energy and fluidic science and structural mechanics. Universidad Catolica de El Salvador (UNICAES) is now developing a textiles undergraduate degree program.

Business Administration: Teach one to two courses in any area of business management, business development or entrepreneurship at the graduate or undergraduate level. Offer training to faculty on new trends in business education, business incubation, and trends in connecting university courses to what is needed in business. Universities with interest in this field include Universidad de El Salvador (UES), Escuela Superior de Economia y Negocio (ESEN), José Simeón Cañas - Central American University (UCA) Universidad Tecnologica (UTEC) and Technological Institute of Central America (ITCA).

Degree Requirements
Ph.D. (or other terminal degree) not required

Additional Qualification Information

Ph.D. is preferred, but master's degree with five years of teaching experience is acceptable.

Additional Language Requirement

Intermediate to Advanced Spanish is required. Teaching will be conducted in Spanish.

Applicants who do not have Spanish proficiency may be considered if the project does not require it and/or could be successful with an interpreter. Applicants with limited language proficiency must also submit the language evaluation.

Invitation Requirement
A letter of invitation is optional.

Additional Comments

Applicants without contacts in El Salvador may contact the U.S. Embassy for assistance with affiliation. Inquiries may be directed to Fernando Herrera [2], Cultural Affairs Specialist. Applicants are encouraged to contact potential hosts.

Special Award Benefits

During their grant period, Fulbright U.S. Scholars in the Western Hemisphere (WHA) region may apply for a short-term regional travel grant for activities such as workshops, seminars, presentations, lectures, performances, exhibits, curricular advising, and similar projects, at institutions in eligible WHA countries (Argentina, Bahamas, Barbados and Eastern Caribbean, Belize, Bolivia, Brazil, Canada, Chile, Colombia, Costa Rica, Dominican Republic, Ecuador, El Salvador, Guatemala, Guyana, Haiti, Honduras, Jamaica, México, Panama, Paraguay, Peru, Suriname, Trinidad & Tobago, and Uruguay). The Regional Travel Program covers travel to and from the destination; lodging may be offered by the hosting institution. Scholars may only apply for this grant once in country on their Fulbright grant. Scholars who apply for the Flex award are ineligible for the Regional Travel Program. Additional information can be found at the Regional Travel Program website.
