### **Areas of Interest**

Applications are sought in areas aligned to the research directions of CSIRO's business units:

- Food and Agriculture
- Energy
- Minerals Resources
- Oceans and Atmosphere
- Land and Water
- Manufacturing
- Health and Biosecurity
- Data and Digital Technologies
- Astronomy and Space Science

Applications are also sought in areas that align to the activities of the CSIRO National Facilities:

- National Research Collections
- Marine National Facility
- Australian Animal Health Laboratory

**Before proposing a project in one of these areas, please refer to [CSIRO](#) [2] to ensure your proposal aligns with an active area of CSIRO research activity.**

### **Special Features**

#### **Fulbright East Asia Pacific Regional Travel Program**

Fulbright Scholars in the East Asia and Pacific (EAP) region have the opportunity to apply for funds to support short-term (3-14 days) travel to other countries in the EAP region for activities such as lectures, workshops, graduate or faculty seminars, master classes or recitals, curricular advising or panel presentations. EAP Regional Travel Program funding covers transportation only. Regional Travel Program activities/host sites should not be included in the initial Fulbright application. Scholars may pursue invitations for short-term activities in other EAP countries once notified that they have been selected for a Fulbright grant, and may only apply for travel program funds once they have actively started their Fulbright grant in their host country. Scholars on Flex grants are not eligible for the regional travel grant.

#### **Degree Requirements**

Ph.D. (or other terminal degree) required

#### **Additional Qualification Information**

Open to senior academics at the level of Associate or Full Professor by the grant start date with a distinguished career in the proposed field. If you are not at the level of Associate or Full Professor at the time of application, but will be by grant start, please include information about your career progression and timeline in the personal section of your project statement.

Following the [peer review](#) [3] process, short-listed applicants will be invited for a Skype interview with a Fulbright Selection Committee in Australia.

Those who are permanent residents of Australia, dual citizens of the United States and Australia, or living in Australia at the time of application are not eligible for the Fulbright Program with Australia.

#### **Invitation Requirement**

A letter of invitation is required.

#### **Additional Comments**

**Host Institution:** the [CSIRO](#) [1] is Australia's leading multidisciplinary research organization with a mission to deliver impact for the benefit of industry, society, and the environment.
