

Theoretical Physics

Award Autogenerated Code

10921-EI

Region

Europe and Eurasia

Country

Ireland

Award Type

Fullbright Scholar Award

Number of Recipients

1

Stipend

Maximum Monthly stipend \$3,800

Candidate Profile

Academics, all levels including early career

Activity Type

Research

Application Deadline

Wednesday, September 15, 2021

Award Activity

The visiting scholar would be expected to undertake a defined program of research at the hosting institution. The scholar would participate in or attend school activities (seminars, conferences etc.), have the opportunity to work with research faculty, and give lectures in DIAS/local universities.

Award Length

3-12 months

Award Dates

September 2022 or January 2023

Locations

School of Theoretical Physics, Dublin Institute of Advances Studies⁽¹⁾

Flex Option

No

Discipline Type

Only applications in the following disciplines will be considered

Disciplines

Mathematics

Physics

Areas of Interest

Applications are welcome from candidates in all fields of theoretical and mathematical physics. Preference would be given to candidates with a strong research record especially in gauge/gravity, lattice gauge theory or non-commutative geometry, integrable systems, string and M-theory, causal set theory, theoretical cosmology and conformal field theory.

Degree Requirements

Ph.D. (or other terminal degree) required

Invitation Requirement

A letter of invitation is preferred.

Multi-Country/Area Award

No

Award Length Filter

Three to five months

Six to 10 months

More than 10 months

Invitation Requirement Additional Information

Competitive applications will demonstrate clear alignment with host strategy, goals or new areas of mutual interest.

Typically a letter of invitation will express this adequately.

Special Award Benefits

The Commission organizes a comprehensive two-day orientation that includes Irish language training and cultural events.

Language Proficiency Requirements

None, English is sufficient.

Career Profile

Early Career Academics

Mid-Career Academics

Senior Academics

Scholars selected for this award will be required to:

- Assist in faculty, curriculum, and/or program development
- Conduct a research project designated by the host institution
- Conduct a research project of the applicant's choosing
