Award Activity

For research or teaching, or a combination of teaching and research activities. Teaching can include co-teaching, guest lectures, workshops, seminars. Depending on the department, it is likely that the grantee will also work with faculty on curriculum and program development. The applicant may determine the percentage of the grant dedicated to each activity and should define this clearly in the project abstract/summary and the project statement. Opportunities for guest lectures at other universities may also be available. In addition to being a prestigious academic exchange program, the Fulbright Program is designed to expand and strengthen relationships between the people of the United States and citizens of other nations and to promote international understanding and cooperation. To support this mission, Fulbright Scholars will be asked to give public talks, mentor students, and otherwise engage with the host community, in addition to their primary activities.

Award Length

4 to 9 months; Flex grants: 4-6 months

Award Dates

Grants may begin any time after July 1, 2022. Grants must begin by March 31, 2023.

Locations

Affiliations are available throughout India except for the Union Territory of Jammu and Kashmir. In addition to universities and colleges, affiliations with think tanks, non-governmental organizations and research centers will be considered. The applicant is encouraged to indicate affiliation preference and secure an invitation letter from an institution when possible. If the applicant does not have a preferred host institution, USIEF will be happy to assist with identifying an appropriate one. Affiliations will be finalized by the United States-India Educational Foundation (USIEF) after the grantee is selected. USIEF reserves the right to change the affiliation if the one indicated in the application is unsuitable for any reason.

Flex Option

Yes

Flex Description

The Flex option is designed for scholars who require multiple visits to the host country. This option allows grants to be conducted over short segments. Fulbright-Kalam fellowships are eligible for the Flex option but the applicant must indicate a clear plan for Flex in their project statement, including a project timeline.

Flex grant parameters:

- Minimum length of the total grant is four months and the maximum is six months
- Minimum length for any grant segment is one month and the maximum is five months
- Two or three grant segments may be spread over one or two consecutive years
- Flex grant activity must be completed by August 31, 2024
- Applicants should indicate in their project proposals how they intend to engage with the host institution and academic community beyond their research project
- Flex grants are available for research, teaching and teaching/research grants

Special Features

South and Central Asia Fulbright Regional Travel Grant

During their grant period, Fulbright Scholars in the South and Central Asia (SCA) region may apply for a regional travel grant to engage in a variety of activities at academic institutions or non-profit organizations in eligible SCA countries (India, Kazakhstan, Kyrgyz Republic, Nepal, Republic of the Maldives, Sri Lanka, Tajikistan, Turkmenistan, and Uzbekistan). Activities that U.S. Scholars may engage in include: faculty and student lectures, graduate or faculty seminars, conferences, curriculum development, public lectures, panel presentations, needs assessment, or some combination thereof. Scholars in the arts may be invited to give master classes or recitals, participate in exhibitions or workshops, or consult with cultural institutions. Activities may not include research. This grant will cover travel to and from the destination and lodging may be offered by the hosting institution. Scholars may only apply for this grant once in country on their Fulbright grant. As funds are limited, Scholars are limited to one such travel grant.

Before traveling to another country on a Regional Travel Grant, it is important to confirm trip details with the U.S. Embassy Public Affairs Section or Fulbright Commission in that country.

Please note: The 2022 Fulbright Regional Travel Program will be dependent on global travel conditions. More information will be provided prior to grant departure.

South and Central Asia Fulbright Midyear Conference

With funding provided by the United States Department of State's Bureau of Educational and Cultural Affairs, the U.S.-India Educational Foundation (the Fulbright Commission in India) invites eligible Fulbright Scholars in the South and Central Asia region to attend the annual South and Central Asia Fulbright Midyear Conference in India (usually held in February or March). The conference is an opportunity for current Fulbright U.S. Scholars who are on their Fulbright grants in the SCA region at the time of the conference to gather to discuss each other's work and educational exchange issues and to invite suggestions for the future development and enhancement of the Fulbright Program. Financial assistance to attend the conference is provided as an additional Fulbright grant benefit.

Please note: The 2022-23 Fulbright Midyear Conference will be dependent on global travel conditions. More information will

be provided prior to grant departure.

Degree Requirements

Ph.D. (or other terminal degree) required

Additional Qualification Information

- Awards are open to practicing professionals and faculty of any academic rank. Early career academics are encouraged to apply.
- Community college faculty members are eligible for affiliation with undergraduate colleges and are encouraged to apply.
- Applicants without significant experience in India are encouraged to apply, as are India specialists.
- Scholars who can contribute new methods of pedagogy, specifically interactive methods, group work and project-based learning are encouraged to apply.
- Scholars may be placed at institutions with varying academic/administrative arrangements; undergraduate colleges often make optimum use of visiting scholars.

Additional Language Requirement

All teaching will be in English; additional language proficiency is not required.

For research, basic knowledge of a local language in the location of research can be an advantage; applicants are not required to submit a language proficiency evaluation.

Invitation Requirement

A letter of invitation is optional.

Additional Comments

Archaeological Research:

Applicants must clearly state in their proposals whether they will need to visit excavation sites. Selected candidates in this field will be required to fill out a form that USIEF will submit to the government of India for obtaining special clearance from the Archaeological Survey of India.

Archival Research:

Applicants should clearly state in their proposals whether they will need to consult records and/or papers in the National Archives, New Delhi or in state archives. USIEF will obtain the necessary letter from the U.S. Embassy, which will be required for a scholar's entry into the archives.

In addition to being a prestigious academic exchange program, the Fulbright Program is designed to expand and strengthen relationships between the people of the United States and citizens of other nations and to promote international understanding and cooperation. To support this mission, Fulbright Scholars will be asked to give public talks, mentor students, and otherwise engage with the host community, in addition to their primary activities.

Invitation Requirement Additional Information

- Applicants are encouraged to identify appropriate host institutions for their projects. USIEF encourages prospective applicants to contact current and former grantees about participating in the Fulbright Scholar Program and invites you to read their [bios](#) ^[3].
- In the event that the applicant doesn't have a preferred host institution, USIEF will be happy to assist. For suggested host institutions, please contact Priyanjana Ghosh, Senior Program Officer: Priyanjana@usief.org.in ^[4].
- Applicants who have been in touch with potential host institutions should include any correspondence in the application, such as letters of invitation or expressions of interest.
- Appropriate placements will be finalized for selectees by USIEF.
- Applicants who do not indicate a preference for a host institution (especially those applying for teaching grants) and are

open to an affiliation at an institution outside major metropolitan areas are encouraged to indicate this in their applications.

According to government of India guidelines, each scholar will be officially affiliated with a recognized Indian university/institution for their project and will be guided or assisted by an academic supervisor. Therefore, USIEF will confirm final affiliations for candidates awarded Fulbright-Kalam grants. This is part of the official clearance and visa process.
