Teaching
Teaching/Research

Application Deadline
Thursday, September 15, 2022

Award Activity

Teach undergraduate and graduate courses in a wide range of disciplines, including the humanities, social sciences, natural and physical sciences and business and communications. Supervise student theses and collaborate with faculty on research and program development. Conduct research in area of specialization. Professional projects may also be proposed that benefit both the host institution and the Scholar.

In addition to being a prestigious academic exchange program, the Fulbright Program is designed to expand and strengthen relationships between the people of the United States and citizens of other nations and to promote international understanding and cooperation. To support this mission, Fulbright Scholars will be asked to give public talks, mentor students, and otherwise engage with the host community, in addition to their primary activities.
