Disciplines
Education

Degree Requirements
Ph.D. (or other terminal degree) not required

Additional Qualification Information
Applicants must meet the following qualifications:

- Be a higher education administrator or program director who deals directly with students on a day-to-day basis and who is actively involved in promoting international education on their campus (for example, foreign student advisor, study abroad advisor, or international student office director)
- Be affiliated with a two- or four-year college or university, or a non-profit international education exchange organization
- Have a minimum of five years of full-time work experience in international education

Preference given to applicants:

- Without significant professional visits to Korea in the past five years
Applicant must clearly demonstrate that these criteria have been met (in CV and/or project statement) in order to be considered eligible. An applicant’s institutional statement should include the number of Korean students currently at their home institution campus.

**Invitation Requirement**
A letter of invitation should not be sought

**Additional Comments**

This program is not a vehicle for initiating or developing U.S. institutions’ linkage programs, for student recruitment or for the establishment of branch campuses. This program has a demanding and intensive pre-arranged schedule with little time available for individual projects or appointments, unless undertaken at the conclusion of the program at the grantee's expense.

Participants will be asked to submit an evaluation at the end of their program.

Accompanying dependents are not permitted.
