Flex Option
No

Discipline Type
Applications are sought in all disciplines

Areas of Interest
Preferred fields include but are not limited to: business, finance, education, and STEM-related specializations.

Special Features
During their grant period, Fulbright U.S. Scholars in the Middle East and North Africa region may apply for a short-term regional travel grant (five to 14 days) for participation in a variety of activities including faculty and student lectures, graduate or faculty seminars, curriculum development, public lectures, panel presentations, needs assessment, conferences, or some combination thereof. Scholars who apply for the Flex award are ineligible for the Regional Travel Program.

Degree Requirements
Ph.D. (or other terminal degree) required

Additional Qualification Information
For proposals that include a teaching component, a Ph.D. is required. Practicing professionals with Ph.D. or equivalent terminal degree and higher education teaching experience will also be considered.

Additional Language Requirement
Teaching will be in English; additional language proficiency not required. For applicants without Arabic or other applicable language proficiency, feasibility of conducting research in English must be demonstrated in the proposal.

Invitation Requirement
A letter of invitation should not be sought
