## Business and Management - Entrepreneurship

### Award Autogenerated Code

9860-EI

### Region

Europe and Eurasia

### Country

Ireland

### Number of Grants

Approximately 1

### Stipend

Maximum Monthly Stipend of 3,800 dollars

### Candidate Profile

Academics, except early career

### Activity

Teaching/Research

### Application Deadline

Tuesday, September 15, 2020

### Grant Activity

Combination of teaching/research - Teaching component to be agreed upon with the head of school. Scholar will conduct their own research. Scholar will be asked to give public talks, mentor students, and otherwise engage with the host community, in addition to their primary activities.

Strong emphasis will be placed on experience and track record in high quality research. The scholar will be expected to mentor early career researchers towards engaged and high impact scholarly research of a quality that can be published in leading journals in their field. To this end the person will support and deliver seminar series, roundtable discussions and working groups at the college. The scholarship will strengthen the relationship between the college institutions through shared research and co-authoring opportunities. Fulbright Scholars will be asked to give public talks and otherwise engage in the host community to support the aim of expanding and strengthening international relations.
