Stipend

Monthly base stipend of $4,250 for faculty at the associate professor, professor rank or the professional equivalent, and $4,050 for faculty at or below the assistant professor rank and professional equivalents. Monthly maintenance allowance of $500 payable in Egyptian Pounds (EGP). The monthly maintenance allowance increases by $100 (payable in EGP) per dependent, for a maximum of two accompanying dependents who spend at least 80 percent of the grant period with the grantee in Egypt. Fulbright U.S. Scholars do not need to use their stipend to cover housing, as this is covered separately as a special award benefit (See Special Award Benefits). Therefore, the allowance package offered by the Binational Fulbright Commission in Egypt is considerably higher than the cost of living in Egypt.

Estimated Travel and Relocation Allowance

International travel and relocation allowance for grantee is provided; plus, international travel allowance is provided for one accompanying dependent.

Dependent Tuition Allowance

A maximum of $10,000 per child or $20,000 per family, or its equivalent in EGP, for qualifying dependent children in grades K-12 is reimbursed, against receipts, for a full academic year. Amount is prorated for shorter grant periods.
