

## Pharmaceutical Science at the Universidad Autonoma de Madrid

### Award Autogenerated Code

9945-SP

### Region

Europe and Eurasia

### Country

Spain

### Number of Grants

1

### Stipend

Direct grant benefits (stipend, travel and relocation allowances) are provided by the host institution, the **Universidad Autonoma de Madrid (UAM)**.

€3,000 (approximately \$3,270) per month. This amount covers the monthly stipend, housing and living allowances. Scholars accompanied by dependents for at least 80 percent of the grant period will receive a monthly dependent allowance of €150 (approximately \$165) for one dependent or €300 (approximately \$330) for two or more dependents

### Estimated Travel and Relocation Allowance

Travel and relocation allowance for scholars: €1285 (approximately \$1400). Authorized dependents' travel allowance: €735 (approximately \$800 per person for up to two dependents).

### Dependent Tuition Allowance

No tuition allowance will be provided. Both public and private schools in Spain have bilingual or English language instruction available. The UAM offers logistical assistance in finding housing and school(s) for dependent children, if necessary.

### Candidate Profile

Academics, except early career

### Activity

Teaching/Research

### Application Deadline

Tuesday, September 15, 2020

### Grant Activity

### Teaching:

The scholar will teach a maximum of one course, with a total of 20-30 students and 10-20 teaching hours in the classroom, divided between theory and lab sessions.

The scholar's expertise should be in aspects of Pharmaceutical Science (general pharmaceutical science, research in neuropsychopharmacology or research in cardiovascular pharmacology). He/she is expected to teach part of the following subjects:

- Fundamentals of Physiology and Pharmacology
- Methodological fundamentals of pharmacological research
- Fundamentals of experimental design in pharmacological research
- Research in cardiovascular pharmacology
- Research in neuropsychopharmacology

Complete M.Sc. contents can be found on the Master in Pharmacological Research [website](#) <sup>[1]</sup>.

Detailed module content is available on the *Estudios de Posgrado Oficiales* [website](#) <sup>[2]</sup>.

### **Research:**

The Scholar will be invited to present his/her research in seminars and to attend research seminars led by UAM professors. There will be ample opportunities for research collaboration.

### **Grant Length**

Three months

### **Grant Dates**

Mid-September to mid-December, 2021. Dates cannot be postponed to the Spring Term 2022.

### **Locations**

School of Medicine, **Universidad Autonoma de Madrid (UAM), Ciudad Universitaria de Cantoblanco** <sup>[3]</sup>, 28049 Madrid

### **Flex Option**

No

### **Discipline Type**

Only applications in the following disciplines will be considered

### **Disciplines**

Medical Sciences

### **Areas of Interest**

Pharmaceutical Sciences: **Pharmacology**

### **Special Features**

The UAM sponsors this award and, in addition to financial benefits, offers logistical assistance in finding housing and school(s) for dependent children, if necessary. A contact will be available to help the professor adapt to the university.

The scholar will be granted access to all digital resources available at the UAM.

### **Degree Requirements**

Ph.D. (or other terminal degree) required

### **Additional Qualification Information**

For academic candidates: Associate or Full Professor. Assistant Professors with substantial teaching experience will also be considered.

For professionals: candidates with wide and demonstrated experience in the discipline, and contact with teaching, education and/or outreach programs.

**Please note that candidates with dual U.S./Spanish citizenship, or candidates who are residing in Spain at the time of application or anytime thereafter, are not eligible for the Fulbright program in Spain.**

### **Additional Language Requirement**

Classes will be taught in English, and the Lecturer should expect students to complete all their written and oral assignments in that language.

Some proficiency in Spanish is recommended for daily life. Madrid, where the UAM is located, is the capital city of Spain. Nevertheless, English is not widely spoken, especially among middle-aged and older people.

### **Invitation Requirement**

A letter of invitation is optional

### **Helpful Links**

Host institution general website: [Universidad Autonoma de Madrid](#) <sup>[4]</sup>

**Multi-Country/Area Award**

No

**Grant Length Filter**

Three to five months

**Invitation Requirement Additional Information**

The UAM welcomes scholars to seek more detailed information.
