Three or four months

Grant Dates

Research must be completed between August 2021 and July 2022; Flex applicants may complete their grants between July 2021 and August 2023.

Locations

Research can be conducted at any institution within the Hungarian Academy of Sciences network.

Hungarian Academy of Sciences

Flex Option
Yes
Flex Description
Flex grants of two months over two consecutive years are possible with prior arrangement with host institution. Final approval of Flex grants will be contingent upon available funding.

Discipline Type
Applications are sought in all disciplines

Areas of Interest
Affiliations are dependent on specializations

Degree Requirements
Ph.D. (or other terminal degree) required

Additional Language Requirement
Knowledge of Hungarian commensurate with research project requirements. Feasibility of conducting research must be demonstrated in the project statement.

Invitation Requirement
A letter of invitation is required

Additional Comments
The Hungarian Academy of Sciences (HAS) is Hungary’s most prestigious research institution. The HAS organizes scientific activity of Hungarian researchers, supports collaborative research with international scholars and co-funds cooperation with Fulbright U.S. Scholars. For general information, please contact Annamaria Sas, American Program Officer of the Fulbright Commission in Hungary (sas@fulbright.hu [2]).
