

Geoscience/Earth Science

Award Autogenerated Code

9950-EI

Region

Europe and Eurasia

Country

Ireland

Number of Grants

Up To 2

Stipend

Maximum Monthly stipend \$3,800

The Commission annually requests that Irish institutions make a contribution to recommended Scholars' grants to maximize the institution's understanding and involvement in the Program and the impact and awareness of the Scholar's visit, as well as to enhance the number of awards that can be offered. The institutions and locations specified in the 2021-2022 awards program have all agreed to make a generous financial contribution to the Scholar's grant.

Candidate Profile

Academics, except early career

Activity

Teaching/Research

Application Deadline

Tuesday, September 15, 2020

Grant Activity

Duties will vary depending on the host institute, but they should include teaching/research activities in the field of earth science.

Teaching plans should be developed in collaboration with the host institute and point of contact. Topics may be beyond the curriculum currently provided, but they should complement the existing program.

Applicants should be aware of the resources available at the host institute for both teaching and research.

Grant Length

10 months

Grant Dates

One-semester grants must begin in either September 2021 or January 2022; two-semester grants must begin in September 2021.

Locations

Scholars may affiliate with the [Geological Survey Ireland](#) ^[1] (GSI) or with any appropriate university in Ireland.

Applicants intending to base themselves at the GSI will be expected to support teaching programs in one or more Irish Higher Education Institutes (e.g. universities). The GSI will also support lecturers/researchers visiting Geoscience departments in Irish Higher Education Institutes.

Flex Option

No

Discipline Type

Only applications in the following disciplines will be considered

Disciplines

Environmental Sciences

Geology

Special Features

The Commission organizes a comprehensive two-day orientation that includes Irish language training and cultural events.

Degree Requirements

Ph.D. (or other terminal degree) required

Additional Qualification Information

Applicants should hold a Ph.D. (or equivalent) in Geoscience or a related subject and should have teaching experience.

Applicants should have a record in research activities, including mentoring students, and a minimum of three peer reviewed publications independent of their Ph.D. supervisor.

Invitation Requirement

A letter of invitation is required

Multi-Country/Area Award

No

Grant Length Filter

Six to 10 months
