

Medical Sciences/Education

Award Autogenerated Code

9952-EI

Region

Europe and Eurasia

Country

Ireland

Number of Grants

Approximately 2

Stipend

Maximum \$3,800 per month

The Commission annually requests that Irish institutions make a contribution to recommended scholars' grants to maximize the institution's understanding and involvement in the Program and the impact and awareness of the scholar's visit, as well as to enhance the number of awards that can be offered. The institutions and locations specified in the 2021-2022 awards program have all agreed to make a generous financial contribution to the scholar's grant.

Candidate Profile

Academics, except early career

Activity

Teaching/Research

Application Deadline

Tuesday, September 15, 2020

Locations

[Royal College of Surgeons in Ireland](#) ^[1] (RCSI)

The focus of RCSI is on undergraduate medical, pharmacy and physiotherapy education, as well as nursing, leadership, healthcare management and translational (bench to bedside to population) original research activities. RCSI is also the national surgery training college. Founded in 1784, RCSI provides extensive education and training in the healthcare professions. RCSI's medical school is one of the world's leading international medical schools and is the largest medical school in Ireland. The College also provides undergraduate courses in pharmacy and physiotherapy. RCSI delivers postgraduate training and education through its Faculties of Radiology, Nursing & Midwifery, Dentistry, Sports & Exercise Medicine, the School of Postgraduate Studies, the Institute of Leadership and the National Surgical Training Centre. The RCSI Research Institute is one of Ireland's foremost research centers. More than 60 countries are represented in RCSI's international student body. The College has a strong international presence with Schools in Malaysia, Dubai and a university in Bahrain.
