Grant Length

Four months

Grant Dates

Grants must begin in either September 2021 or January 2022.

Locations

[College of Arts, Celtic Studies and Social Sciences, University College Cork](#) ^[1]

Research in the College is often multidisciplinary in nature and this is reflected in the number of centers and institutes that promote interdisciplinary perspectives and approaches in the College, including ISS21, a research institute in the social sciences and CASiLaC in the humanities. Further details about specific areas of research in Schools in the College can be found [here](#) ^[2].

The College offers the possibility of working in an environment with comprehensive coverage of subjects in the humanities and social sciences and aims to provide a range of support to individuals seeking to consolidate and extend their profiles as individual researchers. The College welcomes awards that will contribute towards the University [strategic plan](#) ^[3] to develop research excellence and (inter)disciplinary innovation in engaged and impactful research activities and practices.

Flex Option

No
