Literature, American  
Literature, non- U.S.  
Music  
Philosophy

### **Areas of Interest**

An interdisciplinary approach to cultural studies which fits with one (or preferably more) of the following: American studies, ancient and modern history, archaeology, art history, Jewish studies, digital humanities, classical and modern languages and literature, ethnology and cultural anthropology, linguistics, translation studies, musicology, and philosophy.

### **Degree Requirements**

Ph.D. (or other terminal degree) required

### **Additional Qualification Information**

Open to faculty of all academic ranks with a Ph.D., appropriate teaching experience, and relevant expertise.

### **Additional Language Requirement**

Instruction is in English. Some knowledge of German is advantageous but not required. If German proficiency is required to complete the proposed research project, competency thereof must be documented in the project proposal.

### **Invitation Requirement**

A letter of invitation is optional

### **Additional Comments**

Proposals should outline candidates' teaching and research interests and agendas. Affiliation for candidates with appropriate departments is arranged by the host institution. Format, content and level of the individual courses (advanced undergraduate and graduate) are negotiated with the host institution. Visit the [website](#) [3] for more information about the host institution and eligible departments. This award is generously funded by the host institution.
